

BTHS Field Hockey

The BTHS coaching staff, supported by current and graduate players, will host the Lady Falcons Field Hockey Summer Camp. Girls will be placed in groups based on grade-level for skill, and scrimmage situations.

Throughout the morning girls will be engaged in a variety of activities to promote the development of individual field hockey skill, positional knowledge, and team play.

There will be a break where girls will have an opportunity to eat a snack. Please provide snacks and drinks in suitable containers with the player's name clearly marked.

More information will be forwarded upon receipt of registration regarding theme days and other special activities.

Any questions may be sent to: ladyfalcons2011@hotmail.com and you will receive a response within 48 hours.

We look forward to having your daughter participate in our camp this year not only to gain valuable field hockey skill and knowledge but to build lasting friendships.

Thanks for your support!
