Schools and Community – Partners in Learning

Our Vision of Excellence for the Burlington Township School District is that of ***All Students Achieving their Highest Potential***. This Vision cannot be accomplished by the schools alone. Parent and community involvement is a cornerstone of a high functioning educational organization. To that end, I invite any parent or community member to participate in one of several special opportunities for conversation and sharing of ideas. Throughout the year, I will host three ***Breakfast with the Superintendent*** meetings, three ***Evening Coffees with the Superintendent***, and three ***Home Visits*** in which I offer to come to a resident's home to meet with parents/community members. The following is the schedule of opportunities:
