Summer Vocal Workshop at Burlington Township High School

Join us for the third annual summer vocal workshop at Burlington Township High School during the week of 7.25.11. This workshop, taught in 2 sessions, will emphasize both the technical side of singing (physical, breathing, placement, music reading, pitch, etc) and the performance side (choosing a solo, preparation, acting through singing, self reflection, etc.). Taught by a professional vocal coach who has worked with Broadway artists, the week will be intensive, challenging, and lots of fun. The program is designed for the serious singer who truly wants to make overall performance level improvements. For more information on the instructor, please visit www.bishopmusical.com.
