February 15, 2011

Dear Parent/Guardian:

Today at our school, we conducted a brief lockdown drill under the direction of our School Resource Officers, the Burlington Township Police Department, and school administration. There was no threat to students, staff or visitors at any time. As we indicated in our correspondence to you in September, periodic drills will continue in compliance with the State mandated security procedures.

As the weather is changing, and drills are mandated for us to practice, please ensure students wear appropriate attire for outside. The children always do a great job because everyone works as a team to practice safety.

Also, the Burlington Township Police Department will be conducting routine physical exercise drills periodically in our school building prior to the start of the school day. Police vehicles will be stationed in the rear parking lot and there is no cause for concern. Our facility is approved to use during this time due to the later school start for students and the large area required to accommodate the officers.

If you have any questions, please feel free to contact our office.

Sincerely,

Denise P. King, Ed.D.
Principal
